Methamphetamine labs cleanup regulations and statute

[Back to methamphetamine labs environmental cleanup](#)

Statute

Michie's Legal Resources:

- [Title 25, Article 18.5, Part 1](#) Illegal drug laboratories.

Regulations

- [Regulations Pertaining to the Cleanup of Methamphetamine Labs, 6 CCR 1014-3.](#)
Effective Dec. 15, 2014.

The regulations were revised to update the existing regulatory language and create a training and certification program for individuals involved in meth lab cleanup as required by 25-18.5-102 CRS.

[Senate Bill 13-219](#), Concerning the remediation performed on property contaminated by an illegal drug laboratory.
